

Welcome to this webinar: Marketplace – Where to find safer alternatives to toxic chemicals

Safer Chemicals, Healthy Families and the Mind the Store Campaign

The screenshot shows the website interface with the following elements:

- Header:** Safer Chemicals, Healthy Families logo and a navigation menu (Home, Get the Facts, Act Now, Blog, Newsroom, Mind the Store, Who We Are).
- Left Column:**
 - Article: "EPA's asbestos 'problem formulation' puts Americans at risk" (Posted May 14, 2018).
 - Article: "Three moms on a mission to ban the chemical that killed their sons" (Posted May 14, 2018).
 - Article: "Victory! Lowe's commits to ban deadly paint strippers" (Posted May 29, 2018).
- Center Column:**
 - Section: "Walmart joins other retailers with ban on deadly paint removers" (Posted Aug 20, 2018).
 - Section: "Walmart joins other retailers with ban on deadly paint removers" (Posted Aug 20, 2018).
- Right Column:**
 - Section: "Tell America's top retailers: We need you to step up on toxic chemicals!" with a "Take action" button.
 - Section: "Skip the Slip: Receipts waste resources AND endanger your health" (Posted Jul 16, 2018).
 - Section: "The Home Depot to be third major U.S. retailer to ban deadly paint strippers" (Posted Jun 10, 2018).
 - Section: "Sherwin-Williams commits to ban deadly paint strippers" (Posted Jun 11, 2018).
 - Section: "Who's Minding the Store?" (A report card on retailer actions).
- Footer:** A "Join the Movement" form with fields for Email, ZIP/Postal Code, and a "Sign Me Up!" button.

Benchmarking Retailer Progress on Toxic Chemicals

The screenshot shows a web browser at retailerreportcard.com. The page features the Mind Store logo and the text "Ranking retailers on toxic chemicals". A navigation menu includes "ACT NOW", "RETAILERS", "REPORT CARD", "ABOUT", and "NEWS". The main content area has a background image of a family in a grocery store. The headline reads "Who's Minding the Store?" followed by the subtitle "A report card on retailer actions to eliminate toxic chemicals". Two buttons, "SELECT A RETAILER" and "TAKE ACTION", are positioned at the bottom of the main content area.

SIGNATORY CONCEPT

- Main idea
 - Show public support for Marketplace
 - Display interest from demand side
 - Answers the question “Who will see my ad?”
- It is
 - Easy and effortless
 - No formal commitment
 - No policy changes needed
- Will show your engagement
- Additional “Safer alternatives” point in Mind the Store 2018 retailer report card

ChemSec Marketplace SIGNATORY declaration

As a SIGNATORY of ChemSec Marketplace you:

- Will be seen as a proactive organization or company caring for your customers, community and suppliers well-being.
- See the value of identifying safer alternatives and making them more visible in the marketplace.
- Send a clear message to your suppliers that you prefer them to be transparent and proactive about safer alternatives.
- Are encouraged to provide feedback and suggestions for improvements of Marketplace.
- May display your logo on the Marketplace website.
- May use the Marketplace logo in your marketing materials and on your website.

As a SIGNATORY of ChemSec Marketplace we expect you to:

- Agree to be listed on the Marketplace website as a signatory
- Agree that the ChemSec Marketplace is an important initiative and share the Marketplace vision.
- Encourage customers and suppliers to use Marketplace and to advertise their needs, requests and solutions for safer alternatives.

Further, as a SIGNATORY of ChemSec Marketplace you:

- May withdraw your record as a signatory at any time.
- Are not responsible for any other advertisements on Marketplace than those provided by your company or organisation.
- Agree that Marketplace will not be used or promoted by your organization in any way that would be in violation of anti-trust regulations.

CURRENT SIGNATORIES

- ASBP – The Alliance for Sustainable Building Products
- CleanGredients
- Ecopreneurs.eu
- HP
- Northwest Green Chemistry
- Replenish
- SAHTECH
- Tchibo

NEXT STEPS

...

- Mapping of relevant sectors
- Publish feature articles on alternatives
- Write success stories on substitution
- Connect to regulatory action on chemicals
 - Restrictions
 - Authorisation list
 - RoHS exemptions
 - Etc.
- Your ideas are welcome!

THE WAY FORWARD

...

- Post profiles to showcase your safer products
- Search for solutions to particular problems you seek to address
- We welcome you as signatories!
